

## **Spectacular Follies Participant Guidelines Agreement - 2022**

I certify that I have been vaccinated or have been diagnosed with and recovered from COVID and have natural immunity and antibody protection.

I agree to have my temperature taken before auditions, rehearsals, and performances. If I register a fever of 99.5 degrees or higher, I agree to leave the premises immediately.

In the event of a positive COVID PCR test or an ongoing fever of 99.5 degrees or higher, I agree to take the required measures for self-care as directed by my medical professional, including but not limited to quarantine for a minimum of 5-7 days. I acknowledge I will be allowed to return to rehearsals once I have received a negative COVID PCR test. Any cast member exposed should also go into quarantine for a minimum of 5-7 days and be tested for the virus.

I agree to abide by all health guidelines in place during auditions, rehearsals, and performances as requested by the Spectacular Follies Executive Board.

I acknowledge that the Spectacular Follies is a non-political, non-denominational organization. As such, I agree to refrain from discussing any political, medical, or religious topics while present at auditions, rehearsals, performances, or any other Spectacular Follies hosted function.

Violation of one or more of these guidelines may result in expulsion from a rehearsal or the show entirely.

The Spectacular Follies is an entertainment organization, and I agree to respect my fellow performers, Directors, and the Spectacular Follies Executive Board.
